Case No. 1:23-cv-03969 (LGS)

Motion To Deny Deposition

Hon. Judge Lorna G. Schofield

December 4th 2024

Motion To Deny Deposition

I, Yaya Jallow, The Plaintiff am refusing the Notice To Deposition by Despondent Kevin Collins, in The matter of being deposed by Kevin Collins. The Plaintiff is refusing this deposition on a couple of fronts: The deposition is not needed to resolve the harm caused to The Plaintiff as well as for the particular reason that the Despondent is considered weak to The Plaintiff. The Despondent won't even provide their home address and as such The Plaintiff will not be taking any question from The Despondent nor any question originating from The Despondent. The Plaintiff feels The Despondent is weak and a coward, for a lack of better words, and as such The Plaintiff will not take any deposition due to the principle of being petty and not allowing The Despondent to forget The Plaintiff lacks any respect for The Despondent due to The Despondent explicitly choosing for The Plaintiff not to respect him nor her as it matters towards this Case Matter. The Plaintiff would also like to mention if the only duty of the NYPD, as

they explicitly stated, is to maintain Public Order than The Plaintiff's only duty is to make sure he receives 585,000\$

for the audacity of The Defendant thinking The Plaintiff would ever allow such a deposition to stand.
